

Public Sector Equality Duty Compliance

Principles

The Public Sector Equality Duty 2011 has 3 main aims:

1. Eliminate unlawful discrimination, harassment and victimization and other conduct prohibited by the Act.
2. Advance equality of opportunity between people who share a protected characteristic and those who do not.
3. Foster good relations between people who share a protected characteristic and those who do not.

This policy outlines the commitment of Landau Forte Academy Moorhead to ensure that equality of opportunity is available to all members of the school community for our school this means, not simply treating everybody the same but, understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in school, celebrating and valuing the equal opportunity achievements and strengths of all members of the school community.

These include:-

- Pupils
- Teaching staff
- Support staff
- Parents/ Carers
- Governors
- Multi-agency staff
- Visitors to school
- Students on placement

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. We want to provide an environment which is free from unlawful discrimination, harassment or victimization of any kind. We want to educate our pupils in an environment which recognizes, celebrates and draws upon the diversity of our local area and the world more broadly and offers equal respect, appropriate support and fair rewards for all our pupils.

At our school, equality is a key principle for treating all people the same. The Equality Act defines eight 'Protected Characteristics':

1. Age
2. Disability
3. Gender reassignment
4. Pregnancy and maternity
5. Race
6. Religion and belief
7. Gender
8. Sexual orientation

The Equality Act makes it illegal to discriminate against a person with a disability for a reason related to their disability. It is also illegal to have rules, policies or practices which apply to everyone but which may disadvantage people with disabilities. Our school is required to make reasonable adjustments to allow children with disabilities to fully take part in the activities.

These requirements are derived from the Disability Discrimination Act-
Less favourable treatment- children with disabilities are entitled not to be treated less favourably than non-disabled children for a reason relating to their disability, without reasonable justification.

Reasonable adjustments- children with disabilities are entitled to have reasonable adjustments made with respect to admission arrangements or in provision of education and associated services, to prevent them being placed at a substantial disadvantage, unless the refusal to make those adjustments can be justified.

Current Profile of the School

We are a larger than average Primary School with, at present 278 children on roll. Moorhead Academy can accommodate up to 280 children, aged 4-11 with a standard admission number of 40 children per year group. The school converted to become an academy in September 2012 and is part of the Landau Forte Charitable trust.

The proportion of children supported by Pupil Premium Funding is above average

The majority of our pupils are White British with the proportion of children from minority ethnic backgrounds being below national average.

The number of children who have identified Special Educational Needs and/or disabilities is above average. School is not aware of any staff or governors who have a disability.

Currently, there are no regular users of Moorhead Academy that require wheelchair access or use any other mobility aid. The school is on 1 floor and does not have any internal steps. There is a ramp to the main entrance and an accessible toilet is available. A full Access Plan can be found on the school website.

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, teaching and learning will:

- Ensure quality of access for all pupils and prepare them for life in a diverse society;
- Use materials that reflect a range of cultural backgrounds, without stereotyping;
- Promote attitudes and values that will challenge discriminatory behaviour;
- Provide opportunities for pupils to appreciate their own culture and religions and celebrate the diversity of other cultures;
- Use a range of sensitive teaching strategies when teaching about different cultural and religious traditions;
- Develop pupils advocacy skills so that they can detect bias, challenge discrimination, leading to justice and equality;
- Ensure that the PSHE and Citizenship curriculum cover issues of equalities, diversity, religion, human rights and inclusion;
- All subject departments, where appropriate, promote and celebrate the contribution of different ethnic groups to the subject matter;
- Seek to involve all parents in supporting their child's education;
- Provide educational visits and extra-curricular activities that involve all pupil groupings;
- Take account of the performance of all pupils when planning for future learning and setting challenging targets;
- Make best use of all available resources to support the learning of all groups of pupils;
- Identify resources that support staff development.

Learning Environment

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, ability or social background. All pupils are encouraged to improve on their own achievements and not to measure themselves against others. Parents are also encouraged to view their own children's achievements in this light. To secure the desired outcomes we recognise:

- Teacher enthusiasm is a vital factor in achieving a high level of motivation and good results from all pupils;
- Adults in the school will try to provide good, positive role models in their approach to all issues relating to equality of opportunity;
- The school must provide an environment in which all pupils have equal access to all facilities and resources;
- All pupils are to be encouraged to be actively involved in their own learning;
- A range of teaching methods are to be used throughout the school to ensure that effective learning takes place at all stages for all pupils.

Curriculum

We aim to ensure that our:

- Planning reflects our commitment to equality in all subject areas and cross curricular themes promoting positive attitudes to equality and diversity;
- Pupils will have opportunities to explore concepts and issues relating to identity and equality
- All steps are taken to ensure that all pupils have access to mainstream curriculum by taking into account the cultural and lifestyle backgrounds of all pupils, their linguistic needs are taken into account and their learning styles are considered.

Ethos and Atmosphere

We are aware that those involved in the leadership of the school community are instrumental in demonstrating mutual respect between all members of the school community;

- There should be an 'openness' of atmosphere which welcomes everyone to the school;
- The children are encouraged to greet visitors to the school with friendliness and respect;
- The displays around the school are of a high quality and reflect diversity across all aspects of equality of opportunity and are frequently monitored;
- Provision is made to cater for the spiritual needs of all the children through planning of both assemblies, classroom based and externally based activities.

Resources and Materials

When ordering new resources and materials we consider how they show equality

The provision of good quality resources and materials within our school is a high priority. These resources should:

- Reflect "the reality of an ethnically, culturally and sexual diverse society;"
- Reflect a variety of viewpoints;
- Show positive images of males and females in society including people with disabilities;
- Reflect non-stereotypical images of all groups in a global context;
- Include materials to raise awareness of equal opportunity issues
- Be equally accessible to all members of school community consistent with health and safety
- Not include explicitly and implicitly racist, sexist, homophobic or ageist materials.

Language

We recognise that it is important that at our school that all members of the school community use appropriate language which:

- Does not transmit or confirm stereotypes;
- Does not offend;
- Creates and enhances positive images of particular groups identified at the beginning of this document;
- Creates the conditions for all people to develop their self-esteem;
- Uses correct terminology in referring to particular groups or individuals e.g. Inuit rather Eskimo, Native Americans rather than Red Indians.
- Use first language effectively for learning

Extra-Curricular Provision

It is the policy of our school to provide equal access to all activities from an early age.

We undertake responsibility for making contributors to extra-curricular activities aware of the school's commitment to equality of opportunity (e.g. Sports Premier Coaches) by providing them with written guidelines drawn from this policy.

We try to ensure that all such non staff members who have contract with children adhere to these guidelines and are DBS checked.

EAL Provision

We undertake at our school to make appropriate provision for children for whom English is an additional language.

Harassment and Bullying

It is the duty of this school to challenge all types of discriminatory behaviour e.g.

- Unwanted attentions (verbal or physical);
- Unwelcome or offensive remarks or suggestions about another person's appearance, character, race, ability or disability, sexuality, gender (or transgender).

The school has a clear, agreed procedure for dealing with incidents such as these.

Staffing and Staff Development

We recognise the need for positive role models and distribution of responsibility among staff. This must include pupil's access to a balance of male and female staff at both key stages.

We undertake to encourage the career development and aspirations of all individuals through Performance Management and via the curriculum.

It is our policy to provide staff with training and development, which will increase awareness of the needs of different groups of pupils in the various dimensions of equality of opportunity.

Staff Recruitment and Professional Development

- All posts are advertised formally and open to the widest pool of applicants
- All those involved in recruitment and selection are trained and aware of what they should do avoid discrimination and ensure equality good practice through the recruitment and selection process.
- Access to opportunities for professional development is monitored on equality grounds;
- Equalities policies and practices are covered in all staff inductions
- All supply staff are made aware of equalities policies and practices;
- Employment policy and procedures are reviewed regularly to check conformity with legislation and impact.
