Our vision - Dream, believe, achieve

What's been happening at Moorhead:

Kestrels: have been working extremely hard over the last few weeks preparing themselves for their upcoming SATs examinations. Most recently, they have been writing non-chronological reports about French impressionist painter Claude Monet in English; consolidating their percentage equivalents and finding a percentage of quantities in Maths; and completing chromatography investigations in Science.

Pictured are Kestrels on the Times Table Rockstars Launch day on 26th February, just after practising the speed of their times tables.

If your child is in Kestrels class and you are unsure how to support your child for the SATs examinations, please come find Mr Walker to have a chat to any day after school.

TUDOR DAY – YEAR 5 & 6

Tudor day was a great success! Thank you to those children who got into the full spirit of the day and dressed up. The day was thoroughly enjoyed by all. We learned Tudor etiquette –the art of bowing and

curtseying as well as a whistle stop tour of weapons, food, games and portraits. In the afternoon, we had a go at quill writing, learned about Tudor medicine and weapons and then had a go at some Tudor dances out on the playground.
