Dear Parent/Carer,

As you know, we had a visit from Ofsted Inspectors last week and I wanted to write to let you know that the visit went very well and we had some extremely positive feedback from the team who visited. During COVID, Ofsted are not giving formal grades, but as you will see in the report that will be released shortly, they recognise the work we have been doing to support children throughout this period.

I am also delighted to share the news that we also received a letter at the end of last week from the Department for Education indicating that they will now be taking a fresh look at the issue of whether Moorhead will be leaving Landau Forte Charitable Trust.

This is a positive step for us, and we will continue to work closely with the Department for Education and share all the brilliant examples of how Moorhead is being transformed.

Everyone at Moorhead and Landau Forte Charitable Trust is 100% committed to continuing to make the necessary improvements. Whilst it is very encouraging to have positive feedback from Ofsted and this latest news from the Department for Education, the wonderful feedback from you as parents and carers matters so much more to us.

We are passionate about giving your children the very best education possible, and we will do everything in our power to make that a reality.

This year has clearly been extremely challenging for everyone, and on behalf of everyone at Landau Forte Charitable Trust, a heartfelt thank you for your continuing support and trust in us.

As ever, if you have any questions or would like to give us any further feedback, please do get in touch.

Wishing you all a peaceful Christmas with your family,
