Dear Parent/Carer

Ofsted Visit

I am writing to let you know that we have received notice from Ofsted that they will be visiting Landau Forte Academy Moorhead tomorrow, Tuesday, 8 December. This inspection will be to understand more about how schools are managing the return to full education for students.

These interim visits will help parents and the wider public understand how individual schools are returning to their usual practice. Inspectors will not visit lessons or look at pupils' work as part of this visit, and they will not make an official rating of the school following their visit.

The lead inspector will write a short letter after the visit to briefly summarise the discussions they have had with our leadership team here. We will write to you following the publication of this letter to outline their key findings with you.

I would like to reassure you that this visit is not in response to anything specific at Landau Forte Academy Moorhead, but as part of a wider project to visit schools across the country. I have already been in contact with the inspection to outline the precautions we have in place in order to keep the school site secure.

Please do let me know if you have any questions about this visit by contacting the school office.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Ruth McNeil', written in a cursive style.
