

Dear Parents/Carers.

Thank you for all the work you have been sending in. It has been wonderful to see what you have been doing at home. Please remember to keep sending in pictures of your children's fantastic work and keep reminding them to go on TTRS **every day**. We hope you all have a fabulous week and thank you for all of your continued support.

Please contact us via ClassDojo or Studybugs if you have any questions, and please be sure to share photos of your child's learning so they can still earn their class dojos. Best wishes, from Mr Walker, Miss Lofthouse, Ms Paul and Mrs Robinson.

Talk for

Writing

Over the next three weeks, our new T4W unit will be learning to write a persuasive letter about helping the environment – linking to our term's topic.

Monday- Box It Up

Tuesday- Hot Write of paragraphs 1 and 2

Wednesday – Hot Write of paragraphs 3 and 4

Thursday – Edit your Hot Write

Friday – Write out your letter in your neatest handwriting.

SPaG Starters

Every day there is SPaG starter to complete on the PowerPoints attached on ClassDojo. If you're struggling with SPaG starter 1 PowerPoint then have a go at SPaG starter 2 PowerPoint.

Shared
Reading

<https://docs.google.com/presentation/d/1dTG8Y7IubNeEYigJb7zbBA84aVMAJLPZGSeYzK4HFzw/present?ueb=true#slide=id.p>

Monday- Holes session 1

Tuesday- Holes session 2

Wednesday –Read the lyrics to the Living Years.

Thursday- Find interesting vocabulary from the text and write their definition.

Friday- Complete all the tasks on the PowerPoint (link is above) about The Living Years.

Every day: Read 30 mins a day. Books, comics, anything!

Maths

Every day: Remember to play some Times Table Rockstars.

Keeping safe,
happy and
healthy

Monday

Have a go at making a healthy snack or drink.

You could make rainbow skewers

<https://www.bbcgoodfood.com/recipes/rainbow-fruit-skewers>

or a smoothie

Send in photos of your snack.

Science

Tuesday

Our science topic this term is about animals, their habitats, adaptation and evolution. Lesson link:

<https://classroom.thenational.academy/lessons/how-are-organisms-adapted-to-cold-environments-c9h3ac>

Watch the video and complete all the activities on the video.

Topic

Wednesday

Complete the lesson about climate change and then research Greenhouse Gases. Present your research as an explanation text, poster or a letter.

D.T.

Design & Technology

Thursday

Today's lesson is about seasonal foods. Please use the link below to help you create a seasonal food calendar poster. Remember to make sure it is informative, includes pictures, easy to read and neat. We will be choosing some to go on our school Facebook page.

P.H.S.E.

Friday

This week's lesson is focusing on mental health. Please complete the activities below.

<https://www.wessingtonprimary.org.uk/wp-content/uploads/2020/04/Mental-health-Year-5-6-Home-learning-lesson-FINAL.pdf>

<https://www.wessingtonprimary.org.uk/wp-content/uploads/2020/04/Y5-6-Resource-2-worksheet-Helpful-for-Mental-Health-List.pdf>

Use these words to help your child to develop a positive attitude to learning.

Be Brave, Be Curious, Be kind.
